

## Atlantic Edge Dive Center Underwater Sign Language Course Description

Underwater Sign Language (Sea Signs©) is a great way to increase your enjoyment of your dives by giving you the ability to communicate with your buddies. 'Look there, see the lobster', 'Where is the Boat' or 'My Tank Strip is Loose, Could You Tighten It' are just some of the messages you will be able to send, and receive, once you understand just a few simple, dive specific, hand signals!
